

April 26, 2018

To All Valued CANTEX Customers:

Effective **Monday, April 30, 2018**, we are adjusting prepaid minimums for all PVC Conduit orders to \$10,000. This change is necessary due to the increased freight costs and reduced truck availability.

The future freight terms will be:

- PVC Conduit Only: Freight allowed at \$10,000
- PVC Conduit & Fittings shipped to jobsites: Freight allowed \$10,000
- PVC Fittings and plastic switch, outlet, and ceiling boxes: Freight allowed at \$1500.

We appreciate your business and look forward to serving your PVC conduit and fitting needs in the future. If you have any questions, please do not hesitate to call your local CANTEX Rep or CANTEX directly.

Regards,

Dave Merker
Vice President Sales and Marketing
CANTEX INC.
