

October 23, 2018

To Whom It May Concern,

All PVC products along with their respective components (raw materials) are manufactured, inspected, and tested by CANTEX Inc. in the United States of America, which indicates full conformance with the Buy American Act (provision) and Trades Agreement Act requirements (TAA).

Furthermore, CANTEX Inc. conforms with the Buy American (Federal Transit Administration, DOT), TAA and the Buy America as described in 49 CFR Part 661 or Section 1604 of AARA (American Recovery and Reinvestment Act) provisions. The following products are 100% conformant with these requirements:

- Schedule 40 (all sizes)
- Schedule 80 (all sizes)
- CAO (all sizes)
- DB120, DB100, and DB60 (all sizes)
- EB35 and EB20 (all sizes)
- CANLOC (all sizes)
- CANGRIP (all sizes)
- Fittings (all sizes)
- Couplings (all sizes)
- Terminal adapters (all sizes)
- Box covers (selected items)
- Expansion Couplings (selected items)
- EZ Boxes (PVC and Polycarbonate)
- CANTEX PVC Conduit Glue & Primer

Sincerely,

**David Gwinn**
