

NEW EZ BOX® 4" Round White Blank Ceiling Outlet Cover

CREATES A FINISHED LOOK

Conceals unused ceiling boxes with a clean, finished appearance.

EZYKL-WH is a 4" round white decorative cover, perfect for concealing unused ceiling boxes with a clean, finished appearance. Made from durable HDPE, it resists rust and corrosion, ensuring long-lasting performance. Installation is quick and hassle-free. Two white mounting screws and two matching white plugs are included for a secure and polished finish. This cover is ideal for hiding unused 3 1/2- or 4-inch round or octagonal ceiling boxes, as well as any surrounding drywall cutouts. It's perfect for when a ceiling box fixture is not in use.

- Covers existing ceiling boxes not in use
- Designed for indoor use
- Engineered for easy, cost saving installation and constructed with resilient HDPE for durability
- 2 screws and 2 plugs included
- ETL Listed
- Made in USA
