

## PVC Vapor Proof Box Safety Data Sheet Revision Date: 8/21/18

### SECTION 1 – PRODUCT AND COMPANY INFORMATION

COMMON NAME:	Polyvinyl Chloride (PVC) Vapor Proof Electrical Box	
CHEMICAL NAME:	Not Applicable. Formulation. See Section 3	
FORMULA:	Mixture / Formulation	
PRODUCT CAS NO.:	Mixture. See Section 3	
<b>RECOMMENDED USE:</b>	PVC Box for Electrical Wire and Switches	
SUPPLIER:	CANTEX Inc.	CANTEX Inc.
ADDRESS:	301 Commerce St., Suite 2700	2101 Southeast 1 <sup>st</sup> Street
CITY, STATE, ZIP:	Fort Worth, TX 76102	PO Box 340 - Mineral Wells, TX 76068
PHONE:	817-215-7000	940-325-3344

#### **SECTION 2 – HAZARDS IDENTIFICATION**

All ingredients inserted during the manufacturing process and are not expected to generate any hazards in handling or in use under normal conditions.

This product does not contain toxic chemicals subject to the reporting requirements of section 313 of the Emergency Planning and Community Right-To-Know Act of 1986 and of 40CFR372.

#### **Hazard Statement**

PVC materials in molded form are inert and should not constitute any hazard in normal use or handling. When exposed to fire, it may emit fumes and these could cause irritation to eyes and respiratory system.

#### **Classification of Mixture**

Eye and respiratory system irritation

Signal Word Warning

### **Precautionary Statement**

Avoid breathing fumes/gases when product is exposed to fire.

#### SECTION 3 – COMPOSITION / INFORMATION OF INGREDIENTS

Boiling Point	N/A	Appearance & Odor	Rigid / No Odor
Melting Point	N/A	% Volatile by Weight	N/A
Specific Gravity (H <sub>2</sub> O=1)	1.4 – 1.6 gms/cc	рН	N/A
Solubility in Water	Insoluble	Particle Size	N/A
Vapor Pressure (MM=Hg)	N/A	Vapor Density (AIR=1)	N/A

## **SECTION 4 – FIRST AID MEASURES**

# **PVC Vapor Proof Box Safety Data** Sheet Revision Date: 8/21/18

If irritation of eyes, skin, or respiratory system persists, remove the affected individual from the incident area. Provide protection prior re-entry

Provide protection price	or re-enti	ry.
		SECTION 5 – FIRE FIGHTING MEASURES
Flash Point	Not a	oplicable to solid products
Ignition Temperature	Above	e 734°F (390°C)
Flammable Limits in Air (% by volume)	Lower	r: N/A Upper: N/A
Extinguishing Media	Water	r, foam, and dry chemicals
Special Fire Fighting	PVC g	ives off thick smoke and toxic gasses and fumes such as carbon monoxide when
Procedures	burnir	ng. Firefighters must wear self-contained breathing apparatus.
Unusual Fire and	Comb	ustion products are hazardous and toxic in nature. Thick smoke may
Explosion Hazards	obscu	re vision. PVC Vapor Box will not burn unless supported by other
	comb	ustible material.
		SECTION 6 – ACCIDENTAL RELEASE MEASURES
Threshold Limit Value	None	established
Efforts of Overexposure	risk to given	r most circumstances, exposure to PVC Vapor Box materials poses no significant health. During fire, toxic fumes such as carbon monoxide and other gasses are off, which are injurious to all sensitive skin areas and the breathing function. Skin ion and coughing may result.
		SECTION 7 – HANDLNIG AND STORAGE
<b>Environmental Precau</b>	tions	
Steps to be taken in ca	ise	Not applicable.
material is released or	spilled	
	SECTIO	N 8 – EXPOSURE CONTROLS/PERSONAL PROTECTION
Special Protection Info	rmation	
Ventilation		echanical (General) in areas of thermal processing.
Respiratory protection		n-toxic nuisance dust mask may be advised in presence of heavy saw dusting.
Protective Equipment		oves and eye protection in areas involving molten PVC.
		CTION 9 – PHYSICAL AND CHEMICAL PROPERTIES
	None.	
Special Precautions		
		SECTION 10 – STABILITY AND REACTIVITY
Stability		Stable
Hazardous Decomposi Products	tion	Carbon Monoxide, Hydrogen Chloride, Carbon Dioxide

Page 2 of 3

Hazardous Polymerization	Will not occur	
	SECTION 11 - TOXICOLOGIC	CAL INFORMATION
No toxicological data is ava	ilable for this finished product.	
	SECTION 12 - ECOLOGICA	LINFORMATION
PVC is inert. No known sign	ificant or critical hazards.	
	SECTION 13 - DISPOSAL C	ONSIDERATIONS
Landfill. PVC is an inert plas local, state, and federal reg		ocedures are necessary other than complying with
	SECTION 14 - TRANSPOR	T INFORMATION
Proper Shipping Name	N/A	
Hazard Class	Non-hazardous	
Shipping Label	None required	
UN/NA Hazard Number	Not required	
	SECTION 15 – REGULATOR	
N/A		
	SECTION 16 – OTHER I	NFORMATION
Special Precautions
